

General Studies - Environmental Science Pathway

Program Location: All locations except for Brookley Field

Length: Four Semesters

This program is a two-year curriculum designed for those students who plan to complete a four-year program in preparation for a professional career in the environmental sciences. Students should consult the catalog of the school to which they intend to transfer and plan their work accordingly.

Alabama Transfers Guide

A semester-by-semester pathway is provided as a guide for course selection. Students should consult their Degree Works degree plan and complete an *Alabama Transfers* transfer guide to ensure that they take the appropriate courses for their major at their selected four-year institution.
