

# General Studies - Health Sciences Pathway

## Program Location: All locations except for Brookley Field

**Length: Four Semesters**

**This program is designed for students who plan to transfer to a four-year institution to pursue a Bachelor's Degree in a health field.**

## Semester-by-Semester Pathway/Alabama Transfers Guide

A semester-by-semester pathway is provided as a guide for course selection. Students should consult their Degree Works degree plan and complete an *Alabama Transfers* transfer guide to ensure that they take the appropriate courses for their major at their selected four-year institution. Click [here](#) for a link to the *Alabama Transfers* site. Students are also encouraged to contact their advisor for assistance regarding courses to be completed.

### Additional Information

Students who desire to complete an Allied Health program at Coastal Alabama Community College should seek advisement through a program specific advisor and complete the courses specific to the degree desired. Please check the degree pathways for program of choice for more information.

**Subject:** General Studies

**Type:** A.S.

## Semester One

- MTH 100 Intermediate Algebra is the minimum requirement for an associate in applied science degree in nursing, paramedic, surgical technology, and veterinary technology. MTH 116 Mathematical Applications is the minimum requirement for Dental Assisting.
- BIO 103 may be waived for those intending on completing the Associate in Applied Science Degree. Students must have completed a college science course, high school anatomy & physiology, or a health program certificate. Please consult the Allied Health Sciences Division Chair to see if qualified. Note that BIO 103 is necessary for the four-year degree.
- SPH 106 or SPH 107 fulfills the Speech requirement.

Item #	Title	Credits
