

Business Management and Entrepreneurship (AAS-SBE)

Program Locations: Bay Minette, Brewton, Thomasville, Monroeville, and Fairhope Campuses

Applied Technology Division

Length: Four Semesters

The Associate in Applied Science degree in Business Management and Entrepreneurship is an occupational degree, which introduces the principles of management and supervision, accounting concepts, and small business development skills. The program is designed to enable graduates of the program to enter lower level management and accounting positions and prepare individuals for small business management.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of Alabama Transfers state transfer and articulation reporting system.
