

# Basic Industrial Maintenance Technology (STC-IND)

## Program Locations: The Academy at Fairhope Airport, Gilberttown, and Thomasville Campuses

Advanced Manufacturing Technology Division

Length: One Semester

This is a program that prepares individuals to be able to proficiently work in an entry level position in manufacturing, construction, or general industry.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of Alabama Transfers state transfer and articulation reporting system.

\* Short-term certificate not eligible for federal aid.

Subject: **Advanced Manufacturing Technology**

Type: Short-Term Certificate
