

Nursing RN (with Practical Nurse Option) (AAS-NUR)

Program Locations: Bay Minette, Brewton, Fairhope, Monroeville, and Thomasville Campuses

Nursing and Allied Health Division

Length: Five Semesters

PROGRAM OVERVIEW:

The Associate Degree Nursing Program generally prepares individuals in the knowledge, techniques and procedures for promoting health, providing care for sick, disabled, infirmed, or other individuals or groups. The program includes instruction in the administration of medication and treatments, assisting a physician/provider during treatments and examinations, referring patients to physicians and other health care specialists, and planning education for health maintenance.

The program is designed to prepare the student to practice as a competent Registered Nurse (RN) after passing the licensure exam.

ADMISSIONS REQUIREMENTS:

1. Unconditional admittance to the College and active student in good standing (minimum 2.0 GPA).
2. Submit original transcripts from all colleges/schools attended and high school transcript to the Registrar or Admissions Office by application deadline.
3. Submit a completed Nursing Program Application by the stated deadline.
4. Hold a minimum GPA of 2.5 for the academic core courses in the program or cumulative 2.5 GPA if a high school student without prior college coursework.
5. Submit a minimum composite score of 18 on the ACT.
6. Must be eligible to take ENG 101, MTH 100, and BIO 201, if not already completed with a grade of C or higher.
7. Meet essential eligibility criteria.

Completion of the above requirements does not guarantee admission to the program. Prospective students are rank-ordered using a point system to determine acceptance to the program.

SELECTION CRITERIA:

Students are selected based on the following point system:

1. Score on ACT with a minimum composite score of 18 required.
2. Three points are awarded for an A, two for a B, and one for a C in ENG 101, MTH 100, BIO 201, and BIO 202.
3. One point each is awarded for completion of PSY 210, SPH 106 or 107, BIO 220, and a Humanities course with a C or higher.
4. Three points are awarded for completion of a higher-level Math or Chemistry with a C or higher (MTH 116, Mathematical Applications, is not a higher-level Math course). Alternately, three extra points may be awarded for current certification in a health occupation that requires direct contact with patients, such as Certified Nursing Assistant (CNA), Certified Medical Assistant, Licensed Basic or Advanced EMT, Certified Dental Assistant, Certified Veterinary Technician, Certified Phlebotomist, or Certified Surgical Technologist. Proof (copy of the certificate of completion) must be included with the application in order to receive extra points. Applicants may receive up to 3 extra points total for this section. Example: Applicants will NOT receive 3 points for a higher-level math and 3 points for being a CNA.

5. Three points are awarded for completion of all eight general education courses required in the Nursing Program with a C or higher prior to the application deadline.

*All applicable courses must be completed by the application deadline in order to be awarded points towards admission.

ADDITIONAL INFORMATION:

Once selected for the program, students are required to provide the following: Drug screen, background check, physical exam showing ability to meet essential eligibility criteria, records of immunizations, proof of medical insurance, and American Heart Association BLS CPR certification for the healthcare provider. Clinical agencies reserve the right to deny clinical clearance, which may deem a student ineligible for program participation.

A nursing testing fee will be assessed each semester. A nursing lab fee will be assessed for select courses.

Note: Students desiring to obtain BLS CPR certification at Coastal may choose to enroll in the optional EMS 100 course. American Heart Association BLS CPR may be obtained through an alternate training agency, if preferred.

PROGRESSION AND GRADUATION:

It is highly recommended that students complete general education courses required for the Nursing Program prior to program admission. All nursing courses must be completed with a minimum of 75 (C) in order to progress in the program. An AAS in Nursing will be awarded to students who successfully complete all core academic and nursing courses with a grade of C or higher. Students are responsible for meeting all progression and graduation requirements.

Students who successfully complete the first three semesters (45 credit hours) are awarded a Practical Nursing (PN) Certificate and are eligible to take the licensure exam to become an LPN. Licensure by Boards of Nursing may be denied if an applicant has been convicted of a criminal offense, has abused drugs or alcohol, has a history of chemical dependency or mental illness, has been placed on the federal abuse registry, or has been administratively discharged from the armed services.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of Alabama Transfers state transfer and articulation reporting system.

APPRENTICESHIP INFORMATION:

The following is information regarding application to a Nursing Apprenticeship:

1. Must be an active, current student of Coastal Alabama Community College's Nursing Program.
2. Submit a Coastal Alabama Community College Nursing Apprenticeship application during appropriate application periods. At this time, students currently enrolled in NUR 112 and NUR 209 are eligible for an apprenticeship opportunity.
3. Student applications for an apprenticeship opportunity are given to participating healthcare facilities.
4. Participating healthcare facilities select and hire apprentices, based on the number of open positions they have available. Current employees may be selected for the apprenticeship. All apprentices sign an apprenticeship agreement.
5. Student apprentices must commit to working for on the job learning at the healthcare facility for the entirety of the Nursing Program. Included in working days are clinical days students are performing for nursing program clinical requirements.
6. Student apprentices must apply to the Alabama Board of Nursing for an apprentice permit.
7. Student apprentices may not be paid for on-campus classes, labs, or simulation. Student apprentices are paid for clinical hours, not to include simulation.
8. Student apprentices will work one on one with a registered nurse from the healthcare facility. Students will be held accountable to the same clinical requirements as non-apprentice students in the program.

For more information, please contact the Nursing Clinical/Apprenticeship Coordinator: 251-990-0435.

Equal Employment Opportunity Pledge: The sponsor (Coastal Alabama Community College) will not discriminate against apprenticeship applicants or apprentices based on race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability or a person 40 years old or older.

The sponsor (Coastal Alabama Community College) will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29 of the Code of Federal Regulations, part 30.

Right to Equal Opportunity: It is against the law for a sponsor of an apprenticeship program registered for Federal purposes to discriminate against an apprenticeship applicant or apprentice based on race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, age (40 years or older), genetic information, or disability. The sponsor must ensure equal opportunity with regard to all terms, conditions, and privileges associated with apprenticeship.

If you think that you have been subjected to discrimination, you may file a complaint within 300 days from the date of the alleged discrimination or failure to follow the equal opportunity standards with:

Subject: Nursing and Allied Health

Type: A.A.S.

Semester One

MTH 100, or more advanced Math, and BIO 201 are required if not already completed with a C or higher. Please note that MTH 116, Mathematical Applications, does not fulfill the Math requirement.

EMS 100 is an optional course for students to pursue CPR certification for the healthcare provider.

Item #	Title	Credits
BIO 201	Human Anatomy and Physiology I	4
NUR 112	Fundamental Concepts of Nursing	7
	MTH 100 or more advanced	3

Semester Two

ENG 101, PSY 210, and BIO 202 are required if not already completed with a C or higher.

Item #	Title	Credits
BIO 202	Human Anatomy and Physiology II	4
ENG 101	English Composition I	3
NUR 113	Nursing Concepts I	8
PSY 210	Human Growth and Development	3

Complete Graduation Application

Complete Graduation Application for Practical Nursing (PN) Certificate.

Semester Three

SPH 106 or 107 is required if not already completed with a C or higher.

A PN Certificate will be awarded to students successfully completing the third semester of the program.

Item #	Title	Credits
NUR 114	Nursing Concepts II	8
NUR 115	Evidence Based Clinical Reasoning	2
	SPH 106 or SPH 107	3

Semester Four

BIO 220 is required if not already completed with a C or higher.

Item #	Title	Credits
BIO 220	General Microbiology	4
NUR 211	Advanced Nursing Concepts	7

Complete Graduation Application

Complete the graduation application for the AAS degree and begin the process of a review of your degree plan before your final semester.

Semester Five

A Humanities and Fine Arts elective is required if not already completed with a C or higher.

Item #	Title	Credits
NUR 221	Advanced Evidence Based Clinical Reasoning	7
	Humanities and Fine Arts Elective (I)	3
	Total credits:	66
