

# Liberal Arts - Online Pathway

**LENGTH:** Four Semesters

This transferrable degree program is a generic guide for students who plan to transfer and earn a Bachelor of Arts degree, but who have not selected a specific area of concentration. It includes the courses most common in the freshman and sophomore years of study. It offers the opportunity to broaden one's experience and interest in a study of the arts, natural sciences, social sciences, and the humanities. College-level courses in this pathway may be completed online, thus allowing the student to earn an Associate in Arts degree 100% online. Developmental and co-requisite math and English courses may be offered online on a limited basis. Students needing these courses should plan to take them on campus, if necessary.
