

# Advanced Manufacturing - Mechatronics (AAS-ADM)

Pending ACHE Approval

## Program Locations: Baldwin Preparatory Academy (Dual Enrollment)

### Career-Technical Division

Length: Four Semesters

The Mechatronics program is designed to help students exit the program with hands-on skills and knowledge recognized by industry partners as the key competencies to succeed in the field of mechatronics.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of Alabama Transfers state transfer and articulation reporting system.
