COMPUTER TECHNOLOGY

COMPUTER APPLICATIONS SPECIALIST
Short Term Certificate

Program Location: Thomasville Campus

Length: Two Semesters

This program is designed to provide students the opportunity to acquire and/or enhance knowledge and skills for employment in an IT or Computer Applications related field.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of STARS.
