

PIPEFITTING

Short Term Certificate – STC PFT

Program Locations: Thomasville Campus

Length: Two Semesters

This is a program that prepares individuals to be able to work in an entry level position in the construction and maintenance industry.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to a four-year institution, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of STARS.
