## COMMUNITY COLLEGE

### NETWORK ADMINISTRATION SPECIALIST

#### Short Term Certificate – CMA STC

**Program Location: Bay Minette Campus**

Length: Two Semesters

This is a training certificate program designed to provide students the opportunity to acquire and/or enhance knowledge and skills for employment in network administration technology.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of STARS.
