COMMUNITY COLLEGE

ACCOUNTING SPECIALIST – AAS ACC Associate in Applied Science Degree

Program Locations: Bay Minette, Brewton, Fairhope, Monroeville and Thomasville Campuses

Length: Four Semesters

The Associate in Applied Science degree as an Accounting Specialist is an occupational degree, which introduces the principles of management and supervision, accounting concepts, and small business development skills. The program is designed to enable graduates of the program to enter lower level management and accounting positions and prepare individuals for small business management.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of Alabama Transfers state transfer and articulation reporting system.
