

BASIC MASONRY TECHNOLOGY

Short Term Certificate – STC MS1

Program Locations:

Length: One Semester

The short-term certificate in Basic Masonry will prepare students for careers in bricklaying and the building industry.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of Alabama Transfers state transfer and articulation reporting system.
