

COASTAL ALABAMA

COMMUNITY COLLEGE

ELECTRICAL TECHNOLOGY

Short Term Certificate – STC ELT

Program Location: The Academy at Fairhope Airport and Thomasville Campuses

Length: Two Semesters

The Electrical Technology program is designed to help students exit the program with hands-on skills and knowledge recognized by industry partners as the key competencies to succeed in the field of instrumentation technology.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of Alabama Transfers state transfer and articulation reporting system.
