

AUTOMOTIVE BODY REPAIR

Short Term Certificate – STC ABR

Program Locations: Dual Enrollment Only – Baldwin Preparatory Academy

Length: Two Semesters

The Automotive Body Repair program offers basic training in most all facets of Auto Body Repair and Refinishing. Training is accomplished utilizing classroom theory and hands-on work experience with the latest equipment, techniques, and materials.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of Alabama Transfers state transfer and articulation reporting system.
