**BUILDING CONSTRUCTION TECHNOLOGY**

**Short Term Certificate – STC BTC**

---

**Program Locations: Baldwin Preparatory Academy and Washington County Career Technical Center (Dual Enrollment Only)**

Length: Two Semesters

This is a program that prepares individuals to be able to proficiently work in an entry level position in construction or general industry.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of Alabama Transfers state transfer and articulation reporting system.
