CYBERSECURITY

Short Term Certificate – STC CBS

Program Location: Bay Minette Campus

Length: Two Semesters

The Short-Term Certificate in Computer Technology - Cybersecurity is designed to prepare the students who wish to pursue careers in securing digital networks as well as server and client-based computer systems.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of Alabama Transfers state transfer and articulation reporting system.
