

COASTAL ALABAMA

COMMUNITY COLLEGE

BASIC DESIGN

Short Term Certificate – STC DD2

Program Locations: Bay Minette

Length: One Semester

The Engineering Graphics and Design Technology program provides the technical training for students to interpret and produce engineering and architectural graphics and data. Students are eligible for this certificate after completing the first two semesters of a Drafting and Design Technology AAS degree.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of Alabama Transfers state transfer and articulation reporting system.

AREA V: Pre-Professional, Major, and Elective Courses

DDT 144 – Basic 3-D Modeling	3
DDT 127 – Intermediate Computer Aided Drafting and Design	3
DDT 131 – Machine Drafting Basics	3
DDT 132 – Architectural Drafting	3
Total Hours	12 SH
