

COASTAL ALABAMA

COMMUNITY COLLEGE

BUILDING MAINTENANCE

Short-Term Certificate – STC BUM

Program Location: Monroe County Career Technical Center (Dual Enrollment only)

Length: Two Semesters

This is a program that prepares individuals to be able to proficiently maintain HVAC systems, basic carpentry maintenance, and residential electrical circuits by using safety methods and procedures.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of Alabama Transfers state transfer and articulation reporting system.
