

Admission to Courses Creditable Toward an Associate Degree

To be eligible for admission to courses creditable toward an Associate Degree, first-time college students must meet one of the following criteria:

1. Applicants who hold a diploma (evidenced by an official transcript) issued by a regionally and/or state accredited high school are eligible for admission.
2. Applicants who have attended a nonaccredited high school may be admitted upon presentation of a diploma (evidenced by an official transcript) indicating successful completion of courses of study on the secondary level.
3. Applicants who cannot comply with either of the above conditions may be admitted upon presentation of a Certificate of High School Equivalency (GED Certificate) evidenced by an official copy of scores from testing site. Applicant must hold the GED Certificate prior to the term of enrollment.

Students who meet one of these criteria shall be classified as "Degree-Eligible" students. The College may establish additional admission requirements to specific courses or occupational degree programs when student enrollment must be limited or to assure ability to benefit.
