

# LifeTech Institute

The LifeTech Institute, a non-credit prison education training site, is located in Thomasville, Alabama, and provides adult education and technical training for early release parolees from the Alabama prison system. The LifeTech Institute provides this non-credit technical training to early release parolees in order to mitigate prison overcrowding in the State. The LifeTech Institute consists of two buildings with approximately 25,590 gross square feet.

The **Administrative/Classroom Building** contains administrative offices, faculty offices, classrooms, and computer labs.

The **Technical Building** houses training labs for teaching Welding, Building Construction – Carpentry, Building Construction – Painting and Drywall, Building Construction – Masonry, Small Engine Repair, Horticulture, and Industrial Maintenance.
