

Psychological Disorder

A letter or report from a mental health professional (psychologist, neuropsychologist, licensed professional counselor), including:

1. Clearly stated diagnosis (DSM-IV criteria)
2. Defined levels of functioning and any limitations
3. Supporting documentation (i.e. test data, history, observations, etc.)
4. Current treatment and medication
5. Current letter/report (within 1 year), dated and signed
6. Recommendations to address functional limitations
