

# Reporting Enrollment

Coastal Alabama Community College reports accurate headcount enrollment on its annual Institutional Profile to SACSCOC. The Higher Education Act of 1965, as amended, requires that institutions that participate in federal student aid programs report data on enrollments, program completions, graduation rates, faculty and staff, finances, institutional prices, and student financial aid. These data are made available to students and parents through the [College Navigator](#) college search Web site and to researchers and others through the Integrated Postsecondary Education Data System ([IPEDS Data Center](#)).
