

Service Members' Opportunity College Program

The Service Member's Opportunity College (SOC) network is designed to permit military service students and their dependents to pursue college-level programs without penalty for unusual situations and transfer over which they have no control. Since Coastal Alabama Community College is an affiliate member of the SOC, a military service member through a contract with the College may complete at least 25% of the degree in residence with Coastal Alabama. The student may then complete the remaining course work required to meet degree requirements at another accredited college or university and transfer this credit back to Coastal Alabama.
