Description Of Chapters

- Chapters 30, 1606, and 35 - receive benefits in the form of a monthly check; none of these chapters pay for tuition or books. Muskogee Regional VA Education Office determines eligibility.
- Chapter 31 - pays for tuition and books and receives a monthly stipend, which is determined by their local office. The local office is responsible for getting an authorization form to the Coastal Alabama Veterans Affairs Office so that tuition and books can be paid for.
- Chapter 33 - is for veterans, spouses, and children. It pays tuition (based on a percentage rating), provides stipends for books, and pays a basic monthly housing allowance. Tuition money is sent to the College, and the book stipend and housing allowance is paid straight from the VA to the student via check or direct deposit. To be eligible for the full housing allowance, students must be full time the entire semester (including modules) and must have at least one on-campus course. If the student is less than full-time, the allowance will be prorated. Students must be enrolled in a minimum of 7 credit hours to qualify for the housing allowance. For individuals whose eligibility rating is less than 100 percent, the housing allowance will be paid based on percentage (60 percent, 70 percent, 80 percent, etc.).
- Chapter 35 - Survivors and Dependents Educational Assistance Program provides education and training opportunities to eligible dependents of certain veterans. This program offers up to 36 months of education benefits. These benefits may be used for degree and/or certificate programs, apprenticeships, and on-the-job training. If you are a spouse, you may take correspondence courses. Remedial, deficiency, and refresher courses may be approved under certain conditions.
- Chapter 36 - is designed to provide professional, educational, vocational and career counseling services to service members, veterans and dependents. This benefit is available to service members within six months of anticipated discharge, veterans within one year following discharge from active duty, and service members or veteran currently eligible for a VA education benefit and all current VA education beneficiaries. Students will need the VA form 28-8832 for counseling. Information about this benefit can be found by clicking [here](#).
- Tuition Assistance - is for active duty and active reserve only, not for spouses or children. Service members must apply through their particular service branch; links provided below. Upon approval, the service member must submit a Tuition assistance authorization form to the College's Veterans Affairs Office. TA covers tuition and fees only, no books or housing allowance.
- Alabama State GI Dependent Scholarship - is for spouses and children of a disabled veteran. The veteran must have a minimum 40 percent service-connected disability and must be a resident of the State of Alabama when he/she

enlisted. If the veteran was not a resident of the State of Alabama at the time of enlistment, but he/she has lived in Alabama for five years or longer, then he/she may qualify. State VA pays tuition and a portion of fees and books. State VA does not cover \$29 per credit hour of fees, nor do they cover remedial courses. Remaining balances can be paid for by cash or alternative methods of financial aid.
