

Animation, Interactive Technology, Video Graphics and Visual Effects (CER-CAP)

Program Location: Fairhope Campus

Applied Technology Division

Length: Four Semesters

This program is designed to prepare students for a career in communication arts and to give students experience with the equipment and methods used in the graphic arts industry.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of STARS.
