

Cosmetology, Certificate Program

Program Locations: Thomasville Campus and the South Baldwin Center for Technology

Career-Technical Division

Length: Four Semesters

Cosmetology is the scientific study and practice of beauty culture. A major part of cosmetology is devoted to learning and mastering essential knowledge and basic skills for treating the skin, scalp, hair, and nails. This program has been carefully constructed to give students knowledge and skills that are required to become a licensed cosmetologist.

ADMISSION REQUIREMENT: This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of STARS.
