Engineering Graphics and Design Technology: Basic Design (STC-DD2)

Degree Type
Short-Term Certificate
Degree Plan
Basic Design STC DD2

Program Location: Bay Minette Campus

Applied Technology Division

Length: One Semester

The Engineering Graphics and Design Technology program provides the technical training for students to interpret and produce engineering and architectural graphics and data. Students are eligible for this certificate after completing the first two semesters of a Drafting and Design Technology AAS degree.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of Alabama Transfers state transfer and articulation reporting system.

*Short-term certificate not eligible for federal aid.
