

ENGLISH, A.A.

Length: Four Semesters

The English program is designed for those students who intend to transfer to a four-year college to complete a baccalaureate degree in English.

NOTES

*For "MTH 110 or more advanced," MTH 116, MTH 231 and MTH 232 do not meet this requirement. Placement in MTH110 is based on test scores. See your adviser to determine which Math class you need to take. If you did not place into MTH110, ask your adviser to help you develop a modified academic map.

* Placement in ENG101 is based on test scores. See your adviser to determine which English you need to take. If you did not place into ENG101, ask your adviser help you develop a modified academic map.

* In Semester 3, you must choose 2 courses from ENG 271, 261 or 251; in Semester 4, you must choose the second half of the two literature sequences begun in Semester 3.

* You must take a science sequence – two classes in the same science, such as BIO101 and BIO102 or CHM104 and CHM105. If you are not going into a health-related field and you want to take biology, take BIO101 and BIO102. If you think you might want to go into a health-related field or a scientific field, take BIO103 and BIO104. All science courses must be taken in sequence, that is, with the lower numbered class first. The exception is Physical Science PHS111 or PHS 112. Those may be taken out of sequence. If you are certain you are not going into a science-related field, Physical Science is an overview of all fields of science and it might be a good class for you.

*Consult the transfer institution or the STARS templates at www.coastalalabama.edu for additional information about degree requirements. Also, see an academic adviser for assistance.

Program: English

Type: A.A.

SEMESTER ONE

Item #	Title	Credits
ENG 101 3	English Composition I	
3	SPH 106 or SPH 107	
3	MTH 110 or more advanced	
4	Natural Science Elective (4 SH)
