Forestry Concentration

Length: Four Semesters

The Forestry concentration is designed for persons who plan to transfer to a four-year college or university to complete a baccalaureate degree in forest management or wood technology. Students should consult the catalog of the school to which they intend to transfer and plan their work accordingly.

NOTES

* Placement in MTH113 is based on test scores. See your advisor to determine which math class you need to take. If you did not place into MTH113, ask your advisor to help you develop a modified academic map.

* Placement in ENG101 is based on test scores. See your advisor to determine which English you need to take. If you did not place into ENG101, ask your advisor help you develop a modified academic map.

* For General Electives, refer to Coastal Alabama Community College General Electives list for a course not already taken.

Consult the transfer institution or the STARS templates for additional information about degree requirements. Also, see an academic advisor for assistance.
