

NETWORK ADMINISTRATION SPECIALIST, A.A.S.

Program Location: Bay Minette Campus

Applied Technologies Division

Length: Four Semesters

The Associate in Applied Science Degree in Computer Technology - Network Administration Specialist is designed to prepare the student for a career in computer systems.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of STARS.

Program: Computer Science

Type: A.A.S.
