Cybersecurity (AAS-CMS)

Program Location: Bay Minette Campus

Applied Technology Division

Length: Four Semesters

The Associate in Applied Science Degree in Computer Technology - Technical Support Specialist is designed to prepare the students who wish to pursue careers in IT or Technical/User/Helpdesk Support related fields.

This is a career program designed for students to go directly into the labor market upon completion. Although some of the courses in this program will transfer to four-year institutions, this program is not designed to be a transfer program of study; therefore, it is not subject to the terms and conditions of STARS.
