Campus Resources

Academic Advising

Each student, upon admission to the College, is assigned an academic advisor who will assist the student in scheduling academic courses that successfully lead to a degree or certificate. Coastal Alabama Community College considers academic advising a core principal that will help a student succeed in class and in college. All students are encouraged to speak with their academic advisors before registering for classes each semester.

Statewide Transfer and Articulation Reporting System (STARS)

Alabama Transfers is an articulation and transfer planning system designed to inform students who attend Alabama Community Colleges about degree requirements, course equivalents, and other transfer information pertaining to specific majors at each state funded and several private four-year institutions. Alabama Transfers is an efficient and effective way of providing students, counselors, and educators with accurate information upon which transfer decisions can be made.

Developed and overseen by the Alabama Transfers Coordination Site Troy University, Alabama Transfers is the information link between the State’s two-year and four-year institutions. The Alabama Transfers Coordination Site sets up, maintains, and provides support for the statewide database. The Alabama Transfers database, if used properly, can prevent the loss of course credit hours, can provide direction for the scheduling of course work, and can ease the transition from one institution to another.

These transfer guides, if used correctly, guide students through their first two years of coursework and prevent loss of credit hours upon transfer to the selected public four-year universities in Alabama. This can mean huge savings in time and money. To use the Alabama Transfers guide, students click the Alabama Transfers button on the Coastal Alabama homepage or use the URL – http://stars.troy.edu and click on the Transfer Guide button to follow the step-by-step directions. It is important that students meet with their advisor to discuss the transfer guide. Students must keep a copy of the guide for verification purposes upon transfer.

Student Success Centers

A Student Success Center is a learning space/laboratory that provides a variety of academic support services. Coastal Alabama’s Student Success Centers offer a variety of instructional and tutorial services free of charge to enhance students’ success at Coastal Alabama. All Coastal Alabama students are invited to visit one of the Student Success Centers to plan how to best use the Center. Student Success Centers are located on the Bay Minette, Brewton, Monroeville, and Thomasville campuses.
Early Alert System Program (EASP)

The purpose of the program is to identify students with potential problems and to provide some type of intervention at the beginning of potential problems. Specifically, faculty and staff members refer students to Counselors when they observe classroom or campus behaviors that could possibly indicate that students are struggling and might be in need of some type of intervention. Such clues include:

- Student fails to pre-register for the next semester
- Student requests a transcript to be sent to another institution
- Student fails to respond to his/her financial aid award letter
- Student's attendance in classes is erratic or student has stopped attending classes
- Student displays a sudden, dramatic change in behavior
- Student earns an average below a “C” at any time during the term
- Student refers another student.

Immediately, the Counselors make contact via e-mail, in-person, or by telephone, with the identified students to determine their needs and provide services to assist them. Counselors complete a contact report, identifying the potential problem and recording what type of appropriate action was taken. A copy of the report, which is filed in the Division of Student Services’ file, is forwarded to the referring faculty or staff member.

Placement Testing

All entering students who enroll in Associate Degree or certificate programs will be assessed through the administration of the ACT, SAT, ACCUPLACER, or another approved assessment instrument and be placed at the appropriate academic level as indicated by the assessment results with exceptions to be determined by the Instructional Officers. All placement test results are considered a part of the student's permanent academic record. Entering students are requested to have the results of all tests they have taken, including the ACT or SAT, forwarded to the College.

As an institution of higher education, Coastal Alabama Community College provides educational and support services to our students. Minors not enrolled as Coastal Alabama Community College students or participating in sanctioned Coastal Alabama Community College activities, which are without supervision of a parent or adult caregiver, may disrupt the educational process or work setting, and possibly create a safety hazard for the minors themselves or for others on the College campus. Please be aware that our facilities are open to the public, a situation that can present risks to minors. The safety and security of the minors are the responsibility of the parent or adult caregiver when those minors are on the campus. The College cannot assume responsibility for the safety of minors left unattended nor can the College act as a babysitter or protector of the minors. Through the following procedures, the College seeks to create a safe environment, which is conducive to and supportive of the learning process.

Therefore, all correspondence, posters, signage, etc. must be approved prior to the activity or event. All fundraising activities must have the prior approval of the President or designee.

Residence Halls

General Information & Residence Requirements

Residence Hall living at Coastal Alabama Community College will be a unique experience for many students and can prove to be both educational and enjoyable. Rules are inherent in all group living situations because sound laws and regulations provide order essential to personal freedom and achievement. By selecting Coastal Alabama, a student also selects the standards and regulations of the College. Student housing is available on the Bay Minette and Brewton Campuses. Students should refer to the Residential Hall Student Handbook and the current Housing Contract for specific rules and regulations pertaining to resident students.

Rules and Regulations

All students residing in College housing are required to retain their residence for the entire academic year, or the remaining portion thereof. Students are required to be full-time (minimum of 12-15 credit hours) each academic term. Nine of the 12-15 credit hours must be seated classes - unless program requirements or course descriptions are otherwise stated. See the Residence Hall Contract for additional requirements.

Contract Buyout Policy

A residential housing contract buyout may only occur before the spring semester when a student does not fit the current criteria for release of contract, i.e., marriage, documented medical necessity, military service, or graduation midterm (less than 12 credit hours remaining on the student's degree plan). Contract Buyouts can only be considered when the demand for housing exceeds occupancy. Residents may apply to terminate their housing contract by submitting a written request. However, applying for a contract buyout does not guarantee an automatic release from the Housing Contract. The contract buyout request will be reviewed by the Director of Housing or the Dean of Enrollment Management. The student's account must be in good standing. The College must have an applicant prepared to move into the unoccupied
space and financially ready to pay no less than the down payment due on the room for the term. At such time, the contract buyout requestor, if approved, can pay the $500 buyout fee, and then the student may be released from the Housing Contract. Regardless of the timing for the buyout request, there will be no refund given for the fall semester payment, other than as stated in the Alabama Community College System Board of Trustees Policy 327.01.

Coastal Alabama Community College scholarship athletes seeking a residential contract buyout must submit documentation from their coaches signifying release from their current scholarship.

Coastal Alabama Community College considers the Residence Life Housing Contract to be a legally binding document on the part of the student and College.

The College assumes that entering students are adults who have developed mature behavioral patterns, positive attitudes, and conduct above reproach. Students are treated in accordance with this belief. All college students are expected to conduct themselves on all occasions in an appropriate manner. They are expected to maintain a high standard of honor and personal conduct. College is a period of preparation both for the attainment of excellence in one's chosen academic discipline and for a position of responsibility and leadership in society. In order to preserve an environment conducive to the academic and personal development of its members, an educational community must have a Code of Student Conduct to which its members adhere. By becoming a member of an educational community, a student
does not forfeit any rights of citizenship. Accordingly, the College will strive to protect the rights of its citizens. In order to protect the rights of its citizens, the institution has developed a Code of Student Conduct. Violation of this code will result in disciplinary action against the student. The College reserves the right to dismiss any student whose on or off campus behavior is considered undesirable or harmful to the College. Reasonable standards of conduct are expected from all students. All personal conduct of students is subject to college jurisdiction, regardless of where the conduct occurs. The College will strive to protect students' individual freedoms and rights as listed below:

- Freedom of speech and expression;
- Freedom of assembly;
- Freedom of inquiry;
- Freedom from all acts of violence;
- Freedom from interference with the learning experience/ educational environment;
- Freedom from unfair or obscene treatment and acts of personal violence from any member of the college community, as well as others from outside the community;
- Freedom from destruction or theft of personal property;
- Right to substantive and procedural due process in all college disciplinary proceedings;
- Right to petition for redress of grievances;
- Right to be informed of all college policies, procedures, and regulations governing social and academic conduct, as well as academic progress and graduation; and
- Right to equitable and fair governance.

Jurisdiction of the College's Student Code of Conduct

The college Student Code of Conduct shall apply to conduct that occurs on college premises, at college sponsored activities, and to off-campus conduct that adversely affects the college community and/or the pursuit of its objectives. Each student shall be responsible for his/her conduct from the time of application through the actual awarding of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment (and even if their conduct is not discovered until after a degree is awarded).

The Student Code of Conduct shall apply to a student's conduct even if the student withdraws from school while a disciplinary matter is pending. The administration may also regard actions off-campus, which threaten or harm larger community welfare as occasions for disciplinary action either through normal conduct proceedings or administrative decision. The Student Conduct Administrator shall decide whether the Student Code of Conduct shall be applied to conduct occurring off campus, on a case by case basis.

Academic Conduct Process

Coastal Alabama Community College expects all members of its academic community to perform according to the highest ethical and professional principles.

Academic grievances include, but are not limited to, such conduct as academic dishonesty, grade disputes, unfair grading, and instructor disputes.

Steps for addressing an academic grievance:

1. The student is to discuss the grievance with his/her instructor. Students should attempt to resolve grievances prior to start of final exams in the semester for which the grievance has occurred. The instructor is to respond to the student with a decision regarding the grievance within 5 business days.
2. If the student does not agree with the resolution, the student may submit the grievance and results of the instructor's resolution to the appropriate Division Chair using the Grievance Appeal Form. Division Chair contact information is listed in the course syllabus. The Division Chair is to respond to the Grievance Appeal within 5 business days.
3. If the student is not satisfied with the response of the Division Chair, the student may forward the appeal to the appropriate Instructional Officer within 5 business days from receipt of the Division Chair decision. The Instructional Officer will respond to the student within 5 business days. The Instructional Officer's decision is final.

Academic dishonesty includes but is not limited to:

- Cheating– The use or attempted use of unauthorized materials, information, study aids, the answers of others, or computer related information;
- Plagiarism– Claiming as one's own the ideas, words, data, computer programs, creative compositions, artwork, etc., done by someone else. Examples include improper citation of referenced works, use of commercially available scholarly papers, failure to cite sources, or copying another's ideas;
- Fabrication– Presenting as genuine, falsified data, citations, or quotations;
- Abetting– Helping another student commit an act of academic dishonesty. Examples include allowing a fellow student to copy quiz/examination answers or use one's work as his/her own;
• Misrepresentation—Falsification, alteration, or misstatement of the contents of documents, academic works, or other materials related to academic matters, including works substantially done for one class as work done for another without receiving prior approval from the instructor.

Disciplinary actions for academic dishonesty range from:

• a grade of “F” or a “0” for the respective assignment or test;
• an “F” (failure) for the respective course;
• resubmission of an assignment or retaking a test;
• a reprimand in writing with clear consequences for subsequent incidents;
• impose other similar sanctions designed to preserve academic integrity.

The student must be given written notice by the course instructor addressing the academic misconduct before disciplinary action can be applied. The student is to be given the opportunity to prove he/she did not perform the act of academic dishonesty prior to imposing disciplinary sanctions.

If the instructor feels the College's Code of Conduct has been breached, the misconduct may be referred to the Student Conduct Administrator for disciplinary review. Only the Student Conduct Administrator may suspend or expel a student.

### Student Conduct Process

Coastal Alabama Community College strives to maintain an educational community that fosters the development of students who are ethical, civil, and responsible. Students are responsible for reading and reviewing the Code of Student Conduct, and for understanding the responsibilities they assume by enrolling in the College. All are expected to maintain conduct which assures orderly pursuit of educational goals, positive regard for the rights of others, and a safe environment. The following is a summary and explanation of the rights, responsibilities, and rules governing student conduct at Coastal Alabama Community College.

#### A. Jurisdiction of the College's Student Code of Conduct

The college Student Code of Conduct shall apply to conduct that occurs on college premises, at college sponsored activities, and to off-campus conduct that adversely affects the college community and/or the pursuit of its objectives. Each student shall be responsible for his/her conduct from the time of application through the actual awarding of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment (and even if their conduct is not discovered until after a degree is awarded).

The Student Code of Conduct shall apply to a student's conduct even if the student withdraws from school while a conduct matter is pending. The administration may also regard actions off-campus, which threaten or harm larger community welfare as occasions for disciplinary action either through normal conduct proceedings or administrative decision. The Student Conduct Administrator shall decide whether the Student Code of Conduct shall be applied to conduct occurring off campus, on an individual basis.

A student must disclose to the Office of Student Conduct any arrests or convictions for a criminal offense—excluding minor traffic violations that do not result in an arrest or injury to others—that occurs after the student is first admitted to the College. This disclosure obligation applies to all arrests and convictions described above that occur inside or outside the State of Alabama at any time, regardless of whether the College is in session at the time. Such disclosures must be made within seven (7) calendar days of the arrest or conviction, whichever occurs first. If the arrest or conviction involves a juvenile proceeding, the Student has been granted youthful offender status, or the conviction has been sealed, expunged, or overturned, the Student is not required to disclose the arrest or conviction.

Failure to comply with this disclosure obligation without a valid legal basis for doing so shall be deemed a violation of the Code of Student Conduct.
B. Rights and Responsibilities during Student Conduct Proceedings

Responding Student Rights. Students responding to student complaints are afforded the following rights in Student Conduct proceedings:

1. To be informed in writing of the alleged violation(s) and alleged misconduct.
2. To not be presumed responsible of any alleged violations unless so found through the appropriate student conduct proceeding.
3. To have an advisor during preliminary hearing, formal hearing, and appeals hearing.
4. To request reasonable accommodations through ADA to participate in these proceedings.
5. To have a reasonable length of time to prepare a response.
6. To be informed of the evidence upon which a charge is based and afforded an opportunity to offer a relevant response.
7. To be given an opportunity to articulate relevant concerns and issues, express opinions, and offer evidence.
8. To be afforded privacy.
9. To request that a staff member be disqualified from serving in the conduct process based on the grounds of personal bias.
10. To appeal a decision based on approved grounds.

Complainant Student Rights. Students submitting student complaints are afforded the following rights in Student Conduct proceedings:

1. To be informed in writing of the violation(s) and alleged misconduct.
2. To have an advisor during preliminary hearing, formal hearing, and appeals hearing.
3. To request reasonable accommodations through ADA to participate in these proceedings.
4. To have a reasonable length of time to prepare a response.
5. To be given an opportunity to articulate relevant concerns and issues, express opinions, and offer evidence.
6. To be afforded privacy.
7. To request that a staff member be disqualified from serving in the conduct process based on the grounds of personal bias.
8. To appeal a decision based on approved grounds.

C. Student Conduct Process

Any student whose presence poses a threat of danger to persons or property or a threat of disruption to the academic process may be immediately removed from campus by the Dean of Student Services or Campus Police. In this situation, written notice of the charge of misconduct and Interim Measures will be delivered to the student by campus police. Any student who is removed from campus, must contact campus police before returning to campus for hearing.

Step 1: Complaint is filed with the Student Conduct Office (Online Form)

A complaint can be submitted by any member of the campus community. This can include student, faculty, staff, campus police, or visitor.

Step 2: Investigate

After receiving a complaint, a Student Conduct Administrator will begin an investigation. The SCA will schedule a preliminary conference with the respondent to determine if a violation has occurred. If it is determined that a violation has occurred and there is evidence to proceed, case will move to a Preliminary Hearing Conference, if not case will remain open as an Unverified Report. Both the complainant and the respondent have access to the file.

Step 3: Preliminary Hearing Conference vs. Administrative Formal Hearing
After the investigation is complete, the respondent will be notified in writing via student email of the time and date of their preliminary hearing. The student can bring an advisor to sit with them through the hearing. An advisor can be a counselor, friend, family member, instructor, trusted adult. Advisors cannot speak during the hearing but may serve as a comfort to the student.

Two Resolution Options: Administrative Decision or Administrative Formal Hearing

Administrative Decision -- **Accepting Responsibility** or disposed by the mutual consent of all parties involved.

*Student(s) accept(s) responsibility for violating the Code of Student Conduct. SCA will keep the case and determine appropriate sanctions with no opportunity for appeal. Student will receive written notification of the outcome of the hearing.*

Administrative Formal Hearing- **Not Accepting Responsibility**

*If the student(s) do not accept responsibility and the matter cannot be disposed of by mutual consent, an Administrative Formal Hearing will be scheduled. The SCA who investigated the case will step aside and a new Student Conduct hearing officer will be assigned to hear and decide the case and appropriate sanctions. Student will receive written notification of the outcome of the hearing.*

After the Preliminary Hearing Conference is complete, the respondent will be notified in writing via student email of the time and date of their administrative formal hearing. The student is encouraged to submit evidence and/or witness statements on their behalf. The student can bring an advisor to sit with them through the hearing. An advisor can be a counselor, friend, family member, instructor, trusted adult. Advisors cannot speak during the hearing but may serve as a comfort to the student. The student will receive written notification of the outcome of the hearing and steps for appeal. When the student is notified of the decision of the Administrative Formal Hearing, that student will have 72 hours to submit a request for an appeal.

**Step 4: Appeal Process**

The [Code of Student Conduct](#) provides students the right to appeal the decision of the Administrative Formal Hearing. However, the Code provides specific grounds upon which students can appeal:

- Procedural error.
- Discovery of substantial new evidence that was unavailable at the time of the hearing and which reasonably could have affected the decision of the hearing body; or
- Disciplinary sanction imposed is grossly disproportionate to the violation(s) committed, considering the relevant aggravating and/or mitigating factors.

*When the student is notified of the decision of the Administrative Formal Hearing, that student will have 72 hours to submit a request for an appeal.*

**Step 5: Student Conduct Appeals Committee**

The Code of Student Conduct provides students the right to an appeal. If an appeal is granted, the case will be heard and decided by the Student Conduct Appeals Committee. This committee is made up of College faculty, staff and students.

*This decision is final. Notification of outcome must be provided to both the complainant and respondent.*

**Step 6: Exit/Entrance and Continuing Counseling**

After the final decision has been made, the student(s) should meet with a College counselor to discuss future academic plans, additional services and community referrals (as needed). This applies to both the complainant and respondent.

A No Contact Order remains in place until it has been terminated, in writing, following a determination that the arrangement is no longer warranted or necessary.

Waiver of Due Process

If a student(s) accepts responsibility of an offense that warrants disciplinary action by the Student Conduct Administrator and wishes to do so, that student(s) may waive the right to a hearing and accept the decision of the Student Conduct Administrator. Once the student(s) selects to waive their right to a due process hearing and an administrative decision is made, that decision is final with no appeal.

- Accepting Responsibility
- Disposed by Mutual Consent

Student(s) accept(s) responsibility for violating the Code of Student Conduct and complete a Waiver of Due Process form. The SCA will keep the case and determine appropriate sanctions with no opportunity for appeal.

Sexual Misconduct and Title IX

Coastal Alabama Community College does not tolerate sexual misconduct including but not limited to, sexual harassment, sexual assault, stalking, domestic violence, or dating violence. These behaviors are harmful to the well-being of our community members, the learning/working environment, and collegial relationships among our students, faculty, staff, and visitors. All forms of prohibited conduct under this policy are regarded as serious College offenses, and violations will be subject to appropriate disciplinary action including the possibility of separation from the College. State and federal laws also address conduct that may meet the College's definitions of conduct prohibited under this policy, and criminal prosecution or civil court actions may take place independently of any disciplinary action instituted by the College.

In light of these commitments, the College has adopted this policy, which includes investigation and disciplinary procedures that will be followed in response to allegations of sex or gender discrimination, including sexual misconduct allegations.

TITLE IX

Title IX is a comprehensive federal civil rights law, prohibiting discrimination based on sex or gender in the College's programs and activities. Title IX says:

“No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.”

In its early years of existence, Title IX was most often known for creating equity in sports programs. Since then, institutions became aware of other forms of gender inequity, most notably instances of sexual misconduct.

The College will respond to complaints or reports about conduct prohibited under this policy with measures designed to stop the behavior, prevent the recurrence of the prohibited conduct, and remediate any adverse effects of such conduct on campus or in College-related programs or activities. Coastal Alabama Community College is committed to providing an inclusive environment, free from sexual and gender-based discrimination.

NONDISCRIMINATORY POLICY
It is the official policy of the Alabama Community College System and Coastal Alabama Community College that no person in Alabama shall, on the grounds of race, color, disability, gender, religion, creed, national origin, or age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination or harassment under any program, activity, or employment.

The College encourages any students or employees who believe that they have been subjected to harassment on the basis of race, color, or national origin, to report the harassment to the College, and note the College's commitment to take immediate action to eliminate the harassment, prevent its recurrence, and address its effects.

Any students or employees found to engage in acts of discrimination or harassment on the basis of race, color, or national origin, will be promptly disciplined and may include, if circumstances warrant, suspension or expulsion for said students and employees.

TITLE IX COORDINATORS

Any community member concerned about a Title IX violation should immediately contact the College's Title IX Coordinators:

Student Judiciary Office

The Senior Personnel Officer serves as the Title IX Coordinator for employee complainants. Employee complainants should be directed to the Senior Personnel Officer in person or by campus phone at 251-580-4898.

The Title IX Coordinators will be informed of all complaints or reports of violations of this policy and will oversee the College's centralized response to ensure compliance with Title IX and any other applicable Federal or State statute or regulation related to sexual misconduct on campus.

HOW TO FILE A FORMAL COMPLAINT

Formal complaints should be directed to the Student Judiciary Officer, electronically, in person, by phone, by postal service or electronic mail. Formal complaints can be submitted at 24 hours a day, 7 days a week.

Complainants and other reporting individuals are encouraged to report any violation of this policy as soon as possible to maximize the College's ability to respond promptly and effectively. Complaints and reports may be made at any time without regard to how much time has elapsed since the incident(s) in question. If the respondent is no longer a student or employee at the time of the complaint or report, the College may not be able to take disciplinary action against the respondent, but it will still seek to meet its Title IX obligations by providing support for the complainant and taking steps to end the prohibited behavior, prevent its recurrence, and address its effects. The College shall also reserve the right to consider the complaint if the respondent should ever again attempt to become a student or employee of the College.

HOW THE COLLEGE RESPONES TO A FORMAL COMPLAINT

GRIEVANCE PROCEDURES
1. **SCOPE OF THIS POLICY**

This policy governs the conduct of students, employees, and third parties while participating in any College's educational programs or activities regardless of the physical location of the occurrence, including but not limited to:

- Events occurring while involved in one of the College's educational programs or activities, regardless if determined to be on-campus or off-campus.
- Events occurring during College sponsored events and involving circumstances when the College exercises substantial control over the context of the alleged harassment and the persons accused of committing sexual harassment.
- Events occurring at any property officially recognized by the College or by a college organization or program.

2. **PROHIBITED CONDUCT**

**Sexual Harassment** - is determined to be any misconduct on the bases of sex.

At Coastal Alabama Community College, Sexual Harassment can include verbal behavior such as unwanted sexual comments, suggestions, jokes or pressure for sexual favors; nonverbal behavior such as suggestive looks or leering; and physical behavior where such behaviors are severe, offensive, and so severe that it warrants immediate action.

Examples of such behavior include, but are not limited to:

- Quid Pro Quo- offering a benefit in exchange for sexual behaviors
- Unwelcomed Conduct- conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person access to a College program or activity.
- Sexual Assault, Domestic Violence, Dating Violence, Stalking as defined by the U.S. Department of Justice.

3. **DEFINITIONS**

**Sexual Assault**- The term “sexual assault” includes any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent.

**Domestic Violence**- The term “domestic violence” includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

**Dating Violence**- The term “Dating violence” covers a variety of actions, and can include physical abuse, physiological and emotional abuse, and sexual abuse. It can also include “digital abuse”, the use of technology, such as smartphones, the internet, or social media, to intimate, harass, threaten, or isolate a victim.

**Stalking**- The term “stalking” means engaging in a course of conduct directed at a specific person that would cause a reasonable person to (1) fear for his or her safety or the safety of others; or (2) suffer substantial emotional distress.

**Complainant** - A victim who has made a complaint of a violation of this policy, or on whose behalf a complaint was made or disciplinary action was initiated.

**Respondent** - The term respondent refers to the individual(s) who has been accused of prohibited conduct.

**Third-party** - The term third party refers to any individual who is not a College student, a faculty member, or a staff member (e.g., vendors, alumni/ae, or residents). Being a third party does not preclude a person from coverage by this policy, even where the person may not be subject to internal disciplinary action by the College.

**Consent**- the voluntary, informed agreement through words and actions freely given, which a reasonable person would interpret as a willingness to participate in mutually agreed-upon sexual acts.
4. **ESTABLISHING CONSENT**

**Consent** - In reviewing possible violations of sexual misconduct, the College considers consent as the voluntary, informed, uncoerced agreement through words and actions freely given, which a reasonable person would interpret as a willingness to participate in mutually agreed-upon sexual acts. Consensual sexual activity happens when each partner knowingly, willfully, and affirmatively chooses to participate in the activity.

Consent is not present when physical force is used or there is a reasonable belief of the threat of physical force; when duress is present; when one person overcomes the physical limitations of another person; when the person against whom an action is taken is induced by fraud or deceit; and when a person is incapable of making an intentional decision to participate in a sexual act, which could include instances in which the person lacks the capacity to consent.

Important points regarding consent include:

- Consent to one act does not constitute consent to another act.
- Consent on a prior occasion does not constitute consent on a subsequent occasion.
- The existence of a prior or current relationship does not, in itself, constitute consent.
- Consent can be withdrawn or modified at any time.
- Consent is not implicit in a person’s manner of dress.
- Accepting a meal, a gift, or an invitation for a date does not imply or constitute consent to any further activity.
- Silence, passivity, or lack of resistance does not necessarily constitute consent.
- Engaging in sexual activity with an individual who is unable to consent constitutes sexual misconduct.

5. **PRIVACY AND CONFIDENTIALITY**

The College is committed to protecting the privacy of all individuals involved in a report of a Title IX violation. Throughout the process, every effort will be made to protect the privacy interests of all individuals involved in a manner consistent with the need for a thorough review of the report. Requests for confidentiality may limit the College’s ability to conduct an investigation. In some circumstances, the reporting responsibilities of College employees, or the College’s responsibility to investigate, may conflict with the preferences of the complainant and/or respondent concerning privacy and confidentiality.

When a report involves suspected abuse of a minor under the age of 18, the College is required by law to notify local law enforcement and the local agency for child protective services.

The College will take all reasonable steps to investigate and respond to the complaint consistent with the request for confidentiality or request not to pursue an investigation, but its ability to do so may be limited based on the nature of the request by the Complainant. Alternatively, the course of action may also include steps to limit the effects of the alleged harassment and prevent its recurrence that does not involve formal disciplinary action against a Respondent or revealing the identity of the Complainant. Any additional disclosure of information related to the complaint or report may be made if consistent with the Family Educational Rights and Privacy Act (FERPA), the Title IX requirements, or other applicable Federal or State laws or regulations.

6. **COMMUNITY RESOURCES**

Emergency medical assistance and campus safety/law enforcement assistance are available both on and off-campus. Individuals are encouraged to contact law enforcement and seek medical treatment as soon as possible following an incident that poses a threat to safety or physical well-being or following a potential criminal offense.

7. OPTIONS FOR FILING COMPLAINT

The College encourages all individuals to report any alleged or suspected violation of this policy to the appropriate Title IX Coordinator and to report potential criminal conduct to law enforcement. Anyone who seeks to make a complaint or report may:
• File a complaint or report with the Title IX Coordinators, thereby invoking the College's internal disciplinary process.
• Contact local law enforcement or the Coastal Alabama Campus Police department to file a criminal complaint.

An individual may pursue some or all of these steps at the same time (e.g., one may simultaneously pursue an internal complaint and a criminal complaint). When initiating any of the above, an individual does not need to know whether they wish to request any particular course of action, nor how to label what happened. Before or during this decision-making process, complainants and other reporting persons are encouraged to seek assistance from support resources.

8. INVESTIGATIONS AND DISCIPLINARY PROCEDURES IN GENERAL FOR THIS POLICY

The College is committed to providing a prompt and impartial investigation of all alleged violations of this policy. During the disciplinary process, both parties (complainant and respondent) have equivalent rights, including the opportunity to present evidence, to be accompanied by an adviser of their choice, and to appeal. The College will concurrently provide both parties with written notification of the process, outcome, and of any appeal. About any proposed disciplinary action against a student or employee, the action shall be carried out following applicable student or employee disciplinary laws, regulations, policies, and procedures.

1. Responsibility to Investigate: To protect the safety of the campus community, the Title IX Coordinators may investigate allegations of violations of this policy even absent the filing of a formal complaint or report, or if a complaint or report has been withdrawn. The Title IX Coordinators may need to proceed with an investigation even if a complainant specifically requests that the matter not be pursued. In such a circumstance, the Title IX Coordinators will take into account the complainant's articulated concerns, the best interests of the campus community, fairness to all individuals involved, and the College's obligations under Title IX.

This policy differs from Alabama criminal law. Proceedings under this policy may be carried out before, simultaneously with, or following civil or criminal proceedings off-campus. Neither a decision by law enforcement regarding prosecution nor the outcome of any criminal proceeding will be considered determinative of whether a violation of this policy has occurred.

2. Assessment of Formal Complaints: The investigative process is initiated when the Title IX Coordinators receive a complaint or report of a violation of this policy. Title IX Coordinators will conduct an initial assessment and notify both the complainant and respondent of the following:

• Actual allegations: names, dates, location, misconduct resulting in violation
• Presumption of innocence
• May secure an advisor of choice
• Right to review evidence
• Copy of Code of Conduct
• Time frames for all phases of the disciplinary process, including the investigation, any related disciplinary proceedings, and any related appeal, apply equally to both complainant and respondent.

3. Following the initial assessment, Title IX Coordinators may dismiss and refer to Student Conduct for review:

• If the Title IX Coordinators determine that the complaint, even if substantiated, would not meet the definition of sexual harassment.
• If the Title IX Coordinators determine that the complaint, even if substantiated, did not occur in the United States.
• If the Title IX Coordinators determine that the complaint is outside the scope of this policy, the Title IX Coordinators may refer the complaint to another office for review.
• If the complainant withdraws the complaint in writing to the Title IX Coordinator.
• If the Title IX Coordinators determine that the respondent is no longer employed or enrolled.
• If the Title IX Coordinators determines that the complaint cannot be substantiated.

If dismissed, the Title IX Coordinators must notify both the complainant and the respondent. The decision to dismiss can be appealed by both parties.
4. Cooperation with Investigation and Disciplinary Procedures: Coastal Alabama Community College expects all members of the College community to cooperate fully with the investigation and disciplinary procedures, including the preservation of all material evidence by the alleged victim. The College recognizes that an individual may be reluctant to participate in the process; nevertheless, any student or member of the faculty or staff who refuses to cooperate in an investigation may be subject to discipline. Refusal to cooperate includes delaying or failing to acknowledge requests from College officials for information and delaying or failing to make oneself available for meetings with College officials. It is understood that there may be circumstances in which a complainant wishes to limit their participation. If a respondent chooses not to answer any or all questions in an investigation for any reason, the College process will continue, findings will be reached following the preponderance of evidence standard concerning all available credible evidence in support of or contrary to the alleged conduct, and the College will take such action or actions as are appropriate to findings supported by the evidence. The College will not, however, draw any adverse inference from a respondent's silence.

5. Consolidation of Investigation: The Title IX Coordinators have the discretion to consolidate multiple complaints or reports into a single investigation if evidence relevant to one incident might be relevant to the others.

6. Circumstances Relating to Misconduct Affecting Health or Safety: In connection with this policy, in circumstances seriously affecting the health or well-being of any person, or where physical safety is seriously threatened, or where the ability of the College to carry out its essential operations is seriously threatened or impaired, the president or an authorized representative may summarily suspend, dismiss, or bar any person from the College, subject to a post-action review on the action taken by the College. In all such cases, actions taken will be reviewed promptly, typically within one week, by the appropriate College authority.

9. DISCIPLINARY ACTION WHEN THE RESPONDENT IS A STUDENT

In addition to any criminal or civil actions that may be pending or in process, the College reserves the right to separately pursue appropriate disciplinary action against the respondent(s). Persons found responsible for sexual assault may expect disciplinary actions up to and including dismissal from the College. Policies and procedures contained in the Student Code of Conduct will be followed in all disciplinary procedures.

10. DISCIPLINARY ACTION WHEN THE RESPONDENT IS AN EMPLOYEE

In addition to any criminal or civil actions that may be pending or in process, the College reserves the right separately to pursue appropriate disciplinary action against the respondent(s). For violations of this policy by faculty or staff members, disciplinary penalties may include (following the employment laws, regulations, and policies governing the employee in question) counseling or training, written warning, formal reprimand, suspension with or without pay, demotion, or termination. The College also reserves the right to place an accused employee on paid administrative leave during the pendency of the investigation and/or hearing of an allegation of a violation of this policy.

11. DISCIPLINARY PROCEDURES WHEN ONE PARTY IS A MEMBER OF THE COLLEGE COMMUNITY AND THE OTHER PARTY IS A NON-MEMBER OF THE COLLEGE COMMUNITY

When a third party, (i.e., a non-member of our College community) is involved as a complainant or a respondent, the College will use disciplinary procedures that are appropriately modified based on the particular circumstances involved and taking into account privacy requirements and the like. In no case will a member of our community (i.e., current student, faculty member or staff member) be afforded lesser rights or lesser opportunities to participate in the disciplinary proceeding than the non-member of the College community.

12. OTHER INVESTIGATION AND RESOLUTION PROCEDURES

If a complaint or report of conduct prohibited by this policy is made against multiple individuals, an office, or the College in general, the Title IX Coordinators will review the matter and take appropriate action, following this policy. The Title IX Coordinators may conduct an investigation, using investigative and disciplinary procedures that are generally consistent with those stated in this policy, appropriately modified based on the particular circumstances involved.

13. REPORTING AND PRESERVATION OF INFORMATION

Each respective Title IX Coordinator will be responsible for the preservation of the records involved in every complaint received, and investigation and hearing conducted, under this policy and shall further be responsible for
ensuring that all reports are made to such Federal and State agencies as are required to be notified under Title IX and related laws and regulations. In conjunction with ensuring that the required reports are made on a timely basis, the respective Title IX Coordinator shall notify the President of the appropriate reports having been made.

Student Records

Family Educational Rights and Privacy Act (Handbook)

(Buckley Amendment, 20 U.S.C. 1230, 1232G)

Annually, Coastal Alabama Community College informs students of the Family Educational Rights and Privacy Act of 1974. This Act, with which the institution fully complies, was designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Also, students have the right to file complaints with the Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

In accordance with the Family Educational Rights and Privacy Act, students under the age of 21 who commit a violation of drug and alcohol policies and laws will have such violation(s) reported to their parents/guardians.

Local policy explains in detail the procedures to be used by the institution for compliance with the provisions of the Act. Copies of the policy are available to students in the Registrar’s Office. Questions concerning the Family Educational Rights and Privacy Act may be referred to the office of the Registrar.

Student Records Policy

Coastal Alabama Community College compiles and maintains information about students which facilitates educational development of the student and effective administration of the College. To better guarantee the rights of privacy as provided by the Family Educational Rights and Privacy Act of 1974 (Buckley Amendment, 20 U.S.C. 1230, 1232g), Coastal Alabama Community College has adopted the following policies and procedures:

General Policy

Coastal Alabama Community College shall not permit access to or the release of education records or personally identifiable information contained therein, other than directory information as defined within the paragraph titled Directory Information, without the written consent of the student, to any party other than the following:

1. Other school officials and teachers of the College who have been determined by the College to have legitimate educational interests;
2. Officials of those schools or school systems in which the student seeks or intends to enroll, upon the condition that the student may receive a copy of the record if desired, and have an opportunity for a hearing to challenge the content of the record;
3. Certain authorized representatives of federal departments or agencies or state educational authorities for purposes of audits, evaluative studies, etc. Data collected will be protected in a way which prevents personal identification except when specifically authorized by federal law. The data will be destroyed when no longer needed for such purposes;
4. In connection with a student's application for, or receipt of, financial aid;
5. State and local officials or authorities to which such information is specifically required to be reported or disclosed pursuant to State statute adopted prior to November 19, 1974;
6. Organizations conducting studies for, or on behalf of, educational agencies or institutions for the purpose of developing, validating, or administering predictive tests, administering student aid programs and improving instruction, if such studies are conducted in such a manner as will not permit the personal identification of students by persons other than representatives of such organizations and such information will be destroyed when no longer needed for the purpose for which it is conducted;
7. Accrediting organizations in order to carry out their accrediting functions;
8. Parents of a student who is a dependent for income tax purposes;
9. Pursuant to a lawful subpoena or court order;
10. Other appropriate persons in an emergency to protect the health or safety of the student or others. Students shall have access to all such information in accordance with the procedure outlined in this statement with the exceptions specified within the following paragraph.

Definition of Education Records

Student educational records are defined as those records, files, documents and other materials which contain information directly related to a student and are maintained by the College or by a person acting for the College. Specifically excluded from the definition of “educational records” and not open to student inspection are the following materials:

1. Records of instructional, supervisory and administrative personnel which are in the sole possession of the maker and accessible only to the maker or a designated assistant to the maker;
2. Records of campus security, except in those instances where they have been transmitted within the College for administrative purposes;
3. Records which are created or maintained by a physician, psychiatrist, psychologist or other recognized professional or para-professional acting in a professional or para-professional capacity or assisting in that capacity and which are created, maintained or used only in connection with the provision of treatment to the student and are not available to anyone other than persons providing such treatment or who could not be involved officially within the College, but such records are available to a physician or appropriate professional of the student's choice.

Definition of Student

For the purpose of this policy, “student” means any person who has been enrolled in and is attending or has attended any course offering of Coastal Alabama Community College. It does not include prospective students.

Directory Information

The following categories of information with respect to each student have been designated by the College as directory information which may be made available to the public, absent a student's request that any such information should not be released without the student's prior consent:

1. Student's name, address, telephone number;
2. Dates of attendance;
3. The most recent previous educational agencies or institutions attended by the student;
4. Weight and height of a member of an athletic team;
5. Major and minor fields of study, degree desired, and classification;
6. Participation in officially recognized activities and sports; and/or
7. Degrees and awards received (i.e., Dean’s List, Who’s Who, etc.).
If any student has an objection to any of the aforementioned information being released about himself/herself during any given semester or academic year, the student should notify in writing the appropriate campus Registrar, during the first three weeks of the respective semester or academic year. The student has the right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The address of the office that administers FERPA is the Family Policy Compliance Office, U.S. Department of Education, 600 Independence Avenue, SW, Washington, D.C. 20202-4605.

Location of Records

The College has designated the following offices as responsible for student records within their respective areas of responsibility:

1. Instructional Affairs Office
2. Student Services Office
3. Business Office
4. Financial Aid Office

The administrators in the aforementioned offices shall hereinafter be referred to as “records officials.” Each official is responsible for maintaining a listing of student records within such records official's area of responsibility, which listing shall indicate the location and general content of the records. Any student request concerning his or her records or files, including requests that information not be disclosed to the public, requests for disclosure to third parties, and requests for access by the student shall be directed to the appropriate records official. Forms for all such requests may be obtained from these officials. The appropriate records official will also attempt to resolve any challenges to the records at an informal hearing with the student and, if an agreeable solution is not reached, the records official will refer the student and his challenge to the Dean of Student Services, who shall set a hearing within 10 days thereafter for final decision.

Access of Student Records to Students

The student is afforded the right to inspect and review, in the presence of a College staff member, any records, files and data directly related to the student. To inspect his or her personal folder or file, a student shall submit a written request to the appropriate records official signed by the student and, if not personally submitted by the student, then the student’s signature shall be acknowledged by the affidavit of a Notary Public. The request for inspection shall be acted upon within 45 days from the date such request is received. If, in the opinion of the appropriate records official, inspection can reasonably be accomplished by providing copies of documents, such copies shall be made and provided to the student.

Limitations on Access

The right of inspection of personal information described in the above paragraph does not include:

1. Financial records of the parents of the student or any information contained therein;
2. Confidential letters and statements of recommendation which were placed in the education records prior to January 1, 1975. If such letters or statements are not used for purposes other than those for which they were specifically intended; or,
3. Other confidential records, access to which has been waived by the student in accordance with policy concerning waivers.
Challenging the Contents of the Record

If, after inspecting his or her record, a student wishes an explanation or to challenge any part of the contents of such record, then the student shall submit a written request for a hearing in the same manner and under the same procedures as provided within the preceding paragraph titled Location of Records.

The request for hearing should identify the item or items in the file to be challenged and state the grounds for the challenge, e.g., inaccuracy, misleading nature, inappropriateness, etc. The records official shall examine the contested item, shall hear the person responsible for placing the item in the file if appropriate and possible, and shall examine any documents or hear any testimony the student wishes to present. The records official may decide that the contested item should be retained or that it should be deleted or revised or he may refer the matter to the hearing officer who shall set a hearing within 10 days thereafter for final decision. In the event any part of the challenged item is retained, the student shall be allowed to place a written explanation thereof in the file. A written decision shall be delivered or mailed to the student within 10 days from the date such hearing is concluded, either by the records official or the hearing officer.

Waiver of Access

A student or a person applying for admission may waive his or her right of access to confidential statements concerning that student's application for admission, financial aid, employment, honorary recognition or any other benefit made available by Coastal Alabama. The student may sign and return the waiver or may request a list of the names of persons who will be asked for recommendations as to such application prior to signing and returning such waiver or the student may decline to waive the right of access. No such application shall be conditioned upon or prejudiced by the student's failure or refusal to sign such waiver.

Providing Records to Third Parties

The policy of Coastal Alabama Community College is to refuse access to student records to third parties without the written consent of a student except as provided within the preceding General Policy and Directory Information paragraphs. Any records pertaining to a student, which are not excluded by the provisions of the paragraph titled Definition of Educational Records, shall be released upon receipt of that student's written requests directed to the proper records official specifying the records to be released, the reason for such release, the person to whom the records are to be released, and whether a copy thereof is also to be furnished the student.

Transfer of Information by Third Parties

Any information released under the preceding paragraph shall be expressly conditioned upon the understanding that the party to which the information is being transferred will not permit any other party to have access to such information without the consent of the student. Such conditional understanding shall be in writing, and included in or attached to each release of information.

Record Access

Coastal Alabama shall maintain a record, kept with the education records of each student, which will indicate all parties (other than those specified within the paragraph titled General Policy) which have requested or obtained access to a student's education records. This record will indicate specifically the legitimate interest that each such party has in
obtaining this information. Such record of access shall be available only to the student, to the school official and his assistants who are responsible for the custody of such records, and to persons or organizations authorized in, and under the conditions of the paragraph titled General Policy, 1 and 3, as a means of auditing the operation of the system.

Destruction of Records

Coastal Alabama Community College retains the right, if not otherwise precluded by law, to destroy records as a matter of policy. However, upon written request, a student shall be granted access to and copies of his or her records, which are not excluded by the provisions included within the paragraph titled Definition of Educational Records, prior to the destruction of such records. Without a request on file prior to destruction, no copy of records to be destroyed will be furnished to the student.

Disclosure of Campus Police Policies and Statistics

Inquiries regarding the information contained herein should be directed to the Dean of Operations.

Emergency Notification System & Timely Warnings - Emergency Response Policy

Students at Coastal Alabama Community College will be notified of emergencies, inclement weather and other safety messages through the College's mass notification systems. Students are encouraged to sign up on these systems and to maintain accurate information on their student accounts to ensure they will receive these important messages.

Coastal Alabama Community College uses the RAVE Mobile Safety Alert System to notify students (both pre-registered and registered) and faculty/staff of emergency situations and important College notices. The Coastal Alabama Police Department works closely with the Marketing and Communications Office to determine when and how an alert will be issued. The current situation will be monitored, and College officials will determine the type of notice, if any, that will be sent. The Marketing and Communications Office staff has the charge of issuing an alert upon the decision of College Police, select administrators or the President of Coastal Alabama Community College. The Student Services Office monitors affects on students; the Operations Office monitors weather and campus situational analysis; the College Police Department monitors the safety and security of the College community; and, the Marketing and Communications Office, which houses the Public Information Office, communicates with each individual or office to stay abreast of developing situations. The President is notified and informed of situations throughout the lifetime of the occurrence(s).

In the event of a significant emergency situation, Coastal Alabama Community College will send an emergency notification via text message, voice-to-text and/or e-mail. The Clery Act defines a significant emergency situation as an immediate threat, such as a fire, health outbreak, inclement weather, gas leaks, etc.
Some situations do not require an emergency notification if they are not causing imminent danger to the College community. Examples of these situations include power outages and strings of larcenies, as defined by the Clery Act. Students may receive a notification through the RAVE Alert System, even in the event of a non-emergency situation. These types of notifications are called Timely Warnings. The Marketing and Communications Office with other key College officials, will determine what type of alert should be sent.

Any type of emergency notification or timely warning will include pertinent information for the College community to respond to or to be aware of a current situation. Information included in notifications do not compromise any type of criminal investigation but do include information to allow individuals to respond appropriately. For instance, if there is a suspect of a crime on campus, descriptive details regarding the individual's appearance or attire will be included. Evacuation or lockdown information may also be included should the situation require those types of responses.

Coastal Alabama Community College, without delay, and taking into account the safety of the community, determines the content of the notification and initiates the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

Testing Emergency Procedures and Notifications - Coastal Alabama Community College frequently tests emergency procedures and notifications. Each fall, the College sends an annual notice to students, faculty and staff via the RAVE Mobile Alert System. In addition, the College performs routine drills and evacuations annually. The College may choose to coordinate these tests, announced or unannounced. The Coastal Alabama Police Department also performs active shooter drills for faculty, staff and students. These exercises are performed during professional development sessions for employees and during training for specific student groups, such as Resident Assistants. All drills will be documented through the College Police Department.

Title IX Sexual Harassment Complaint Procedure

A. INTRODUCTION

Coastal Alabama Community College is committed to providing a workplace and campus community free of sexual misconduct and harassment. As required by Title IX of the Education Amendments of 1972, the College does not discriminate on the basis of sex in its education programs and activities. This includes discrimination affecting employees of the college and applicants for employment, students and applicants for admission, or members of the public. All members of the College community are expected to conduct themselves in a manner that does not infringe upon the rights of others, whether on college premises or at any College owned off campus location and while participating in any educational program or activity of the College.

Sexual harassment, which includes sexual misconduct and sexual assault, is a form of sex discrimination which is prohibited under Title IX of the Education Amendments of 1972 and the Violence Against Women Act. This policy is intended to reaffirm the College's commitment to address sexual harassment and take steps to prevent its reoccurrence and preserve or restore equal access to the College's education programs and activities. Dating violence, domestic violence, and stalking may also be considered forms of sexual discrimination. Due to the seriousness of these offenses, the College has adopted specific policies and procedures, outlined in the Student Handbook, employment policies, and webpage, to address alleged instances of sexual harassment, sexual misconduct, sexual assault, dating violence, domestic violence, and stalking. The College believes that no person should bear the effects of sexual harassment alone. When such conduct occurs, the College's paramount concern is for the safety and well-being of those impacted. To support and assist students, the College provides a range of resources that include a trained counselor.

Under Title IX, individuals reporting allegations related to sexual harassment and/or sexual violence, have the right to a resolution of their complaint, to have the college conduct a prompt, thorough and impartial investigation, and to receive supportive measures to ensure the safety and wellbeing of the individuals involved and the college community.
When allegations of sexual harassment and/or sexual violence in any form are brought to the attention of the Title IX Coordinator, and if a responding party is found to have violated this policy, serious sanctions will be used to prevent its reoccurrence. Coastal Alabama Community College does not tolerate or condone retaliation. Individuals wishing to report sexual harassment and/or sexual violence and/or to make inquiries concerning the application of Title IX at the College may contact:

POLICY

The U.S. Department of Education’s Office for Civil Rights (OCR) enforces, among other statutes, Title IX of the Education Amendments of 1972. Title IX protects people from discrimination based on sex in education programs or activities that receive Federal financial assistance. Title IX states that:

“No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.”

B. DEFINITIONS RELATING TO SEXUAL HARASSMENT

Many terms are used in the context of sexual harassment. The following will provide some common definitions and examples.
Actual knowledge: The notice of sexual harassment or allegations of sexual harassment to the Title IX Coordinator or any official of the College who has authority to institute corrective measures of behalf of the College shall be deemed actual knowledge on the part of the College.

Complainant: is an individual who is alleged to be the victim of conduct that could constitute sexual harassment. For the purposes of this procedure a Complainant may be an individual applying for admission or employment, an employee, a student or an individual otherwise participating in or attempting to participate in the College’s education programs and activities.

Respondent: is an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

Formal complaint: is a document filed by the complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the College investigate the allegation of sexual harassment. Note: At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in an educational program or activity of the College at which the formal complaint is filed.

Consent: “Consent” must be informed, voluntary, and mutual and can be withdrawn at any time. There is no consent when there is force, expressed or implied, or when coercion, intimidation, threats, or duress is used. Whether or not a person has taken advantage of a position of influence over another person may be a factor in determining consent. Silence or absence of resistance does not imply consent. Past consent to sexual activity with another person does not imply ongoing future consent with that person or consent to that same sexual activity with another person.

Incapacitation: An individual who is incapacitated is unable to give consent to sexual contact. States of incapacitation include sleep, unconsciousness, intermittent consciousness, intoxication, or any other state where the individual is unaware that sexual contact is occurring or is otherwise unable to give informed and voluntarily consent. Incapacitation may also exist because of a mental or developmental disability that impairs the ability to consent to sexual contact. Example: A person who is taking pain medication and falls asleep under the influence of the medication can be incapacitated and not be able to give consent to sexual contact.

Sexual Misconduct: Committing sexual abuse, sexual assault, sexual harassment, sexual exploitation, or statutory rape, as defined below or under Alabama state law.

Example: Making or using persistent derogatory comments, epithets, or slurs that place a person in a hostile or fearful environment or where the person’s safety is in jeopardy.

Sexual harassment: Conduct on the basis of sex that satisfies one or more of the following:

- A school employee conditioning education benefits on participating in unwelcome sexual conduct (i.e. quid pro quo);
- Unwelcomed conduct that a reasonable person would determine is so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the school’s education program or activity; or
- Stalking, dating violence, or domestic violence.

**Sexual assault:**

**Victims Option to Report**

Students and employees who are victims of crime including rape, acquaintance rape, domestic violence, dating violence, sexual assault, or stalking, are encouraged by the College to report but do have the option not to report the incident to campus law enforcement, or local law enforcement. In those cases, the victim may still seek assistance confidentially from any other victim service agency of their choosing.

**Formal Complaint Process**

A. INITIAL STEPS

Any student or employee of the College or applicant for employment or admission who has a complaint against a student or a member of the College faculty, staff, or administration concerning sexual harassment (Title IX of the Educational Amendments of 1972) or has knowledge of any conduct constituting sexual harassment in an educational program or
activity of the College or which occurred on property owned by the College or controlled by the College should report the complaint to the campus Title IX Coordinator [link to Title IX webpage]. An educational program or activity of the College includes, but is not limited to locations, events or circumstances over which the College exercised substantial control over both the respondent and the context in which the sexual harassment occurs, and also includes buildings owned or controlled by a student organization that is officially recognized by the College.

B. REPORTING A COMPLAINT

Any individual may report sexual harassment incident to Title IX Coordinator in person, by email, by telephone, or in writing. The report must include the names of the Complainant(s) and Respondent(s), approximate date of incident, facts of the incident, and contact information for the person submitting the complaint.

The Title IX Coordinator will respond in writing to the person submitting the complaint as soon as practicable, but not exceeding five (5) business days. If the person submitting the complaint is not the Complainant, the Title IX Coordinator will also contact the Complainant within five (5) business days.

If after a discussion with the Complainant, the Title IX Coordinator determines that the complaint does not qualify as a Title IX Complaint, the Title IX Coordinator will notify the Complainant in writing and may redirect the Complaint to the appropriate committee.

If after a discussion between the Complainant and the Title IX Coordinator, the Title IX Coordinator determines that the complaint meets the criteria of a Title IX Complaint and the Complainant requests to file a formal complaint, the Title IX Coordinator will initiate the formal complaint process.

C. SUPPORTIVE MEASURES

Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the College’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the College’s educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The College must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the College to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

Supportive measures will be offered to the Complainant within five (5) business days of receipt of the complaint.

Supportive measures will be offered to the Respondent simultaneously with the Notice of Allegations.

D. STANDARD OF EVIDENCE FOR DETERMINING RESPONSIBILITY

For the purposes of College Title IX procedures, the College will use a “preponderance of evidence” standard for determining responsibility. Preponderance of the Evidence means evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is evidence which as a whole shows that the fact sought to be proved is more probable than not.

E. FORMAL COMPLAINT PROCESS

A formal complaint must be submitted in electronic (email) or written format to the Title IX Coordinator and must be signed by the Complainant. In the event that under the circumstances a formal complaint should be pursued notwithstanding a Complainant’s desire not to file a formal complaint, the Title IX Coordinator may sign the complaint. The complaint must include the following:
• the date of the original complaint,
• names of Complainant and Respondent,
• facts and description of the complaint, and
• the request to investigate complaint.

A Complainant must be participating in or attempting to participate in a College sponsored program or activity at the time the complaint is filed.

F. DISMISSAL OF FORMAL COMPLAINT

The College may dismiss a formal complaint or allegations therein if:

• the Complainant informs the Title IX Coordinator in writing that the Complainant desires to withdraw the formal complaint or allegations therein,
• the Respondent is no longer enrolled or employed by the school, or
• specific circumstances prevent the school from gathering sufficient evidence to reach a determination.

The College must dismiss a formal complaint or allegations therein if:

• the allegations do not meet the definitions of sexual harassment
• the alleged conduct did not occur within the United States, or
• the alleged conduct did not occur within a College sponsored program or activity.

If the College determines the formal complaint or allegations therein will be dismissed, the Title IX Coordinator will provide written notice to both parties of the dismissal of allegations, and the reason for dismissal within five (5) business days of the decision to dismiss the complaint.

G. NOTICE OF ALLEGATIONS

The Title IX Coordinator will provide simultaneous written notice of allegations, including sufficient details, and intent to investigate to the Complainant and Respondent no later than ten (10) calendar days after receipt of the formal complaint. The Title IX Coordinator will also provide both parties with the formal complaint, grievance and appeal process, possible sanctions and remedies, and availability of advisors. The written notice shall include a statement that the respondent is presumed not responsible for the alleged conduct, that the parties and their advisors may review and inspect evidence, and advise the parties of the provisions of the College Code of Conduct relating to making false statements or submitting false information during the grievance process.

The Title IX Coordinator will additionally notify the Title IX investigator of the pending investigation and provide a copy of the formal complaint.

H. ADVISORS

In addition to providing the Complainant and Respondent with written notice of allegations and intent to investigate, the Title IX Coordinator will inform the parties of the availability of advisors. Both parties shall have the right to retain, at the respective party's own cost, the assistance of legal counsel or other personal representative advisor. In the alternative, either or both parties may also request an advisor provided by the College.

Only an advisor may conduct cross-examination during the live hearing.

Neither party may dismiss a College appointed advisor.

I. INVESTIGATION PROCEDURE

The Title IX investigator is responsible for conducting an investigation of the submitted formal complaint. The Title IX investigator will have received Title IX investigator training within the current academic year.

The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the College and not on the parties.
The Title IX investigator will notify the Complaint and Respondent in writing of the intent to investigate within five (5) business days of receipt of the formal complaint and will commence interviews within ten (10) business days or receipt of the formal complaint. The Title IX investigator will notify the Complainant and Respondent and their respective advisors in writing of all individuals the investigator intends to interview.

Either party may identify other witnesses with relevant information for interview or other evidence for review by the investigator.

The Title IX investigator will conduct a factual investigation of the formal complaint and shall research applicable statutes, regulations, and/or policies, if any. The Title IX investigator will notify any interviewees in writing of the intent to interview. Interviewees will have at least five (5) business days’ notice of an interview. Notice will include the participants, date, place, purpose, and time of the interview.

The College will provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory (tending to establish fault or guilt) and exculpatory (clearing or tending to clear from alleged fault or guilt) evidence. Credibility determinations may not be based on a person’s status as a complainant, respondent or witness.

The College will provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding; however, the College may establish restrictions regarding the extent to which the advisor may participate in proceedings, as long as the restrictions apply equally to both parties.

The College will provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the College does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation.

The College will make all such evidence subject to the parties’ inspection and review available at any hearing to give each party equal access opportunity to refer to such evidence during the hearing, including for purposes of cross-examination.

Prior to the completion of the investigative report, the Title IX investigator will submit all reviewed evidence to the Title IX Coordinator.

The Title IX Coordinator will provide copies of all evidence reviewed during the investigation to the Complainant, Respondent, and their respective advisors. All parties will have ten (10) business days to review the evidence and respond in writing to the Title IX Coordinator.

Subsequent to the ten (10) business day review period, the Title IX Coordinator will direct any responses from the Complainant, Respondent, or their respective advisors to the Title IX Investigator for additional review. The Title IX Investigator will submit a final report and the reviewed evidence to the Title IX Coordinator. At least 10 days prior to the live hearing, the Title IX Coordinator will simultaneously provide the Complainant, Respondent, their respective advisors, with the final report and all reviewed evidence for their review and written response. The President will select a Hearing Officer to conduct the live hearing. The Hearing Officer shall be provided a copy of the investigative report and reviewed evidence.

J. LIVE HEARING PROCEDURE

Upon receipt of the final investigative report, the Hearing Officer will convene a Decision Maker panel and schedule a live hearing. The panel will consist of three (3) individuals selected by the Hearing Officer who have completed Decision Maker training during the current academic year. The Hearing Officer will designate one of the Decision Makers as Primary Decision Maker. Hearing Officer will notify the Complainant, Respondent, their respective advisors, Title IX Coordinator, Title IX Investigator, witnesses named in the final report, and the Decision Makers of the live hearing date within five (5)
business days of receipt of the final investigative report. The live hearing date must provide the Complainant, Respondent, and their respective advisors with no less than ten (10) business days to review the final investigative report and all supporting evidence.

The hearing must be a live, recorded hearing with the opportunity for both advisors to conduct cross-examinations. The hearing shall be recorded by either a court reporter or on audio or video tape or by other electronic recording medium. In addition, all items offered into evidence by the parties, whether admitted into evidence or not, shall be marked and preserved as part of the hearing record.

Upon request, the Complainant and Respondent may participate in the hearing via on-campus video conferencing provided that all parties, including the Decision Making Panel, are able to see and hear the party or witness answering questions in real-time.

The Hearing Officer, Decision Makers, Complainant, Respondent, and their respective advisors will attend the hearing. The Title IX investigator, Title IX Coordinator and witnesses will be called to provide testimony if requested by the Decision Makers, parties or their respective advisors.

If a party does not have an advisor present at the live hearing, the College shall provide without fee or charge to that party, an advisor of the College’s choice, who may be, but is not required to be an attorney.

The hearing process will consist of:

- Opening statement by Hearing Officer
- Review of hearing procedures, formal complaint and notice of allegations by Hearing Officer
- Review of potential hearing outcomes and sanctions by Hearing Officer
- Complainant Testimony
- Cross-examination of Complainant by Respondent advisor
- Testimony of Witnesses of Complainant
- Cross-examination of Complainant Witnesses by Respondent advisor
- Respondent Testimony
- Cross-examination of Respondent by Complainant advisor
- Witnesses of Respondent Testimonies
- Cross-examination of Respondent Witnesses by Complainant advisor
- Decision Maker inquiries
- Review of appeal process by Hearing Officer
- Closing statement by Hearing Officer
- Dismissal of parties
- Decision Maker deliberations

At the hearing, the Hearing Officer shall read the hearing procedures, notice of allegations, formal complaint, potential hearing outcomes, and potential sanctions. After the Hearing Officer concludes opening statements, the Complainant shall have the opportunity to present such oral testimony and offer such other supporting evidence as deemed relevant to the formal complaint. Subsequent to Complainant testimony, the Respondent advisor may conduct cross-examination. The Decision Makers may question the Complainant after the cross-examination.

The Complainant may call witnesses to provide testimony as deemed appropriate to the formal complaint. The Respondent advisor may conduct cross-examination of the witnesses. The Decision Makers may question the witnesses after the cross-examination.

The Respondent shall then be given the opportunity to present such testimony and offer such other evidence as deemed relevant to the Respondent’s defense against the formal complaint. Subsequent to Respondent testimony, the Complainant advisor may conduct cross-examination. The Decision Makers may question the Respondent after the cross-examination.

The Respondent may call witnesses to provide testimony as deemed appropriate to the formal complaint. The Complainant advisor may conduct cross-examination of the witnesses. The Decision Makers may question the witnesses after the cross-examination.
Only relevant cross-examination and other questions may be asked of a party or witness.

During cross-examination, the advisor will pose each question orally to the Primary Decision Maker. The Primary Decision Maker will determine if the Complainant, Respondent, or witnesses may respond to the question. If the Primary Decision Maker chair determines that the question is not relevant, the Primary Decision Maker will explain the rationale for dismissing the question. Rape shield protection is provided for Complainants which deems irrelevant questions and evidence about a Complainant's prior sexual behavior unless offered to prove that someone other than the Respondent committed the alleged misconduct or if the questions and evidence concern specific incidents of Complainant's prior sexual behavior with respect to the Respondent and offered to prove consent.

If a witness or party is not available or declines cross-examination, the decision makers must not rely on any statement of that witness in reaching a determination regarding responsibility; provided, however, that the decision makers cannot draw an inference about the determination regarding responsibility based solely on a party or witness's absence from the live hearing or refusal to answer cross-examination or other questions.

Upon conclusion of the presentation of the evidence and cross-examinations, the Hearing Officer shall read the appeal process and closing statements. The Complainant, Respondent, their respective advisors and all witnesses shall be dismissed.

The Decision Makers will deliberate to determine if the Respondent is deemed responsible and submit a written hearing report which contains:

- identification of the allegations potentially constituting sexual harassment;
- a description of the procedural steps taken from the receipt of the formal complaint through determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
- findings of fact supporting the determination;
- conclusions regarding the application of the College's code of conduct to the facts;
- a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the College imposes on the respondent, and whether remedies designed to restore or preserve equal access to the College's education program or activity will be provided by the College to the complainant; and
- the College's procedures and permissible bases for the complainant and respondent to appeal.

The Primary Decision Maker will submit the hearing report to the Hearing Officer within ten (10) business days of the live hearing.

The Hearing Officer will submit the hearing report simultaneously to the Title IX Coordinator, Complainant, Respondent, and their respective advisors within three (3) business days of receipt of the hearing report.

The College must provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the College provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

The Title IX Coordinator will retain the recording of the hearing, the hearing report, the investigative report, and all evidence obtained during the investigation and all evidence offered at the hearing.

K. APPEAL PROCEDURE

 Appeals of a determination regarding responsibility and from the College's dismissal of a formal complaint or any allegations therein are available to both parties on the following grounds: (1) procedural irregularity that affected the outcome of the matter; (2) new evidence that was not reasonably available at the time the decision regarding responsibility or dismissal was made, that could affect the outcome; and/or (3) the Title IX Coordinator, Investigator, or a Decision Maker had a conflict of interest or bias that affected the outcome.
The President of Coastal Alabama Community College or his/her designee shall be the appeal authority in upholding, rejecting, or modifying the recommendations of the Decision Maker Panel. The President or his/her designee shall not be bound in any manner by the recommendation(s) of the Decision Maker Panel, but shall take it (them) into consideration in rendering his/her decision.

Either party may file a written request with President requesting that the President review the decision of the Decision Maker Panel. The written request must be filed within ten (10) business days following the party's receipt of the hearing report. If the appeal is not filed by the close of business on the tenth (10th) business day following the party's receipt of the report, the party's opportunity to appeal shall have been waived.

As to all appeals, the College will:

- notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;
- ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator.
- ensure the decision-maker(s) for the appeal complies with the standards set for in 34 C.F.R. § 160.45(b)(iii);
- give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
- issue a written decision describing the result of the appeal and the rationale for the result; and
- provide the written decision simultaneously to both parties.

A decision on a party's appeal shall be rendered within 30 calendar days of the initiation of the appeals process. The time for decision may be extended for exigent circumstance or as may be otherwise agreed by the parties.

If the Respondent is also an employee of the College, the individual may also file a claim with the Equal Employment Opportunity Commission within 180 days of the alleged discriminatory act.

Informal Resolution. The College may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent with this section. Similarly, the College may not require the parties to participate in an informal resolution process under this section and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility the College may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the College does the following:

1. provides to the parties a written notice disclosing: the allegations, the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint, and any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;
2. obtains the parties' voluntary, written consent to the informal resolution process; and
3. does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

L. RETALIATION PROHIBITED.

Neither the College nor other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, or because the individual has made a report or complaint, testified, assisted, or participated in any manner an investigation, proceeding, or hearing conducted under this policy. Complaints alleging retaliation may be filed according to the grievance procedures included in the formal complaint process. The College shall keep confidential the identity of any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness except as may be permitted by FERPA statute, 20 U.S.C. 1232g or FERPA regulations, 34 CFR part 99, or as required by law, or to carry out the purposes of 34 CFR part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

Student Respondent:

1. Sanctions for Category 1 Violations:

One or any combination of sanctions, as appropriate:

- **Administrative Letter of Reprimand** - A written letter from the Student Conduct Administrator. The letter may include a sanction or a warning to a student that conduct was inappropriate, and that further misconduct will result in more severe disciplinary action.

Penalties for subsequent violations of the above described provisions are progressively more severe than the initial convictions.

2. Federal Offenses: Activities which violate Federal laws concerning illicit possession, use, and distribution of alcoholic beverages and drugs include, but are not limited to, the following: 21 U.S.C. 841 makes it a crime:

• to manufacture, distribute, or dispense, or possess with intent to manufacture, distribute, or dispense, a controlled substance; or
• to create, distribute, or dispense, or counterfeit substance. (The U.S. Code establishes, and authorizes the U.S. Attorney General to revise as needed, classifications of controlled substances. The drugs are each classified in one or more of five “schedules,” Schedule I being comprised essentially of “street drugs” and Schedule V being comprised of drugs with a “low potential for abuse” when compared with drugs in Schedule I-IV. Examples of Schedule I drugs are heroin and marijuana. PCP, for example, is a Schedule II drug. Amphetamine is a Schedule III drug, while Barbital is a Schedule IV drug. An example of Schedule V drug would be a prescription medication with not more than 200 mg. of codeine per 100 grams).

The penalties for a first offense conviction of violating the laws described in items (1) and (2) above are:

• In the case of a Schedule I or II drug which is a narcotic drug, not more than fifteen (15) years in prison, a fine or not more than $25,000, or both.

• Notwithstanding subparagraph (a) through (b) above, the manufacture, possession, or distribution, or intent to manufacture, possess, or distribute phencyclidine (PCP, “angel dust”) is punishable by up to ten (10) years in prison and/or a fine of not more than $25,000. Penalties for subsequent violations of these provisions are progressively more severe than for initial convictions.

3. Local Ordinances: The State of Alabama Code has been adopted locally.

Health Risks of Drug and Alcohol Use and Abuse

Following is a list of some of the health risks and symptoms associated with the following categories of substances. It is not intended to be the final word on such health risks, since the scientific and medical communities will continue their research into and discoveries concerning the abusive use of drugs and alcohol.

1. Cannabis
   • Includes marijuana, hashish, hashish oil, and tetrahydrocannabinol (THC).
• Regularly observed physical effects of cannabis are a substantial increase in the heart rate, bloodshot eyes, a dry mouth and throat, and increased appetite.

Use of cannabis may impair or reduce short-term memory and comprehension, alter sense of time, and reduce ability to perform tasks requiring concentration and coordination, such as driving a car. Research also shows knowledge when they are “high.” Motivation and cognition may be altered, making the acquisition of new information difficult. Marijuana can also produce paranoia and psychosis. Because users often inhale the unfiltered smoke deeply and then hold it in their lungs as long as possible, marijuana is damaging to the lungs and pulmonary system. Marijuana smoke contains more cancer-causing agents than tobacco. Long-term users of cannabis may develop psychological dependence and require more of the drug to get the same effect. The drug can become the center of their lives.

2. Cocaine

• Includes cocaine in powder form and “crack” in crystalline or pellet form.
• Cocaine stimulates the central nervous system.

Its immediate effects include dilated pupils and elevated blood pressure, heart rate, respiratory rate, and body temperature. Occasional use can cause a stuffy or runny nose, while chronic use can ulcerate the mucous membrane of the nose. Injecting cocaine with unsterile equipment can cause AIDS, hepatitis, and other diseases. Preparation of freebase, which involves the use of volatile solvents, can result in death or injury from fire or explosion. Cocaine can produce psychological and physical dependency, a feeling that the user cannot function without the drug. In addition, tolerance develops rapidly. Crack or freebase rock is extremely addictive, and its effects are felt within 10 seconds. The physical effects include dilated pupils, increased pulse rate, elevated blood pressure, insomnia, loss of appetite, tactile hallucinations, paranoia, and seizures. The use of cocaine can cause death by disrupting the brain’s control of the heart and respiration.

3. Other Stimulants

• Includes amphetamines and methamphetamines (speed); phenmetrazine (Preludin); methylphenidate (Ritalin); and “anorectic” (appetite suppressant) drugs such as Didrex, Pre-State, etc.
• Stimulants can cause increased heart and respiratory rates, elevated blood pressure, dilated pupils, and decreased appetite.

In addition, users may experience sweating, headache, blurred vision, dizziness, sleeplessness, and anxiety. Extremely high doses can cause a rapid or irregular heartbeat, and physical collapse. An amphetamine injection creates a sudden increase in blood pressure that can result in stroke, very high fever, or heart failure. In addition to the physical effects, users report feeling restless, anxious, and moody. Higher doses intensify the effects. Persons who use large amounts of amphetamines over a long period of time can develop an amphetamine psychosis that includes hallucinations, delusions, and paranoia. These symptoms usually disappear when drug use ceases.

4. Depressants

• Includes such drugs as barbiturates, methaqualone (Quaaludes), and tranquilizers such as Valium, Librium, Equanil, Miltown, etc.
• The effects of depressants are in many ways similar to the effects of alcohol. Small amounts can produce calmness and relaxed muscles, but somewhat larger doses can cause slurred speech, staggering gait, and altered perception. Very large doses can cause respiratory depression, coma, and death.

The combination of depressants and alcohol can multiply the effects of the drugs, thereby multiplying the risks. The use of depressants can cause both physical and psychological dependence. Regular use over time may result in a tolerance to the drug, leading the user to increase the quantity consumed. When regular users suddenly stop taking large doses, they may develop withdrawal symptoms ranging from restlessness, insomnia and anxiety to convulsions and death. Babies born to mothers who abuse depressants during pregnancy may be physically dependent on the drugs and show withdrawal symptoms shortly after they are born. Birth defects and behavioral problems also may result.

5. Narcotics
• Includes such substances as heroin, morphine, opium, and codeine as well as methadone, meperidine (Demerol), hydromorphone (Dilaudin), and such drugs as Percocet, Percodan, Darvon, Talwin, etc.

• Narcotics initially produce a feeling of euphoria that often is followed by drowsiness, nausea, and vomiting. Users also may experience constricted pupils, watery eyes, and itching.

An overdose may produce slow and shallow breathing, clammy skin, convulsions, coma, and possibly death. Tolerance to narcotics develops rapidly and dependence is likely. The use of contaminated syringes may result in diseases such as AIDS, endocarditis, and hepatitis. Addiction in pregnant women can lead to premature, stillborn, or addicted infants who experience severe withdrawal symptoms.

6. Hallucinogens

• Includes phencyclidine (“PCP”), lysergic acid diethylamide (“LSD”), mescaline, peyote, and psilocybin.
  ◦ Phencyclidine (“PCP”), interrupts the functions of the neocortex, the section of the brain that controls the intellect and keeps instincts in check.

Because the drug blocks pain receptors, violent PCP episodes may result in self-inflicted injuries. The effects of PCP vary, but users frequently report a sense of distance and estrangement. Time and body movement are slowed down. Muscular coordination worsens and senses are dulled. Speech is blocked and incoherent. Chronic users of PCP report persistent memory problems and speech difficulties. Some of these effects may last six months to a year following prolonged daily use. Mood disorders—depression, anxiety, and violent behavior—also occur. In later stages of chronic use, users often exhibit paranoid and violent behavior and experience hallucinations. Large doses may produce convulsions and coma, heart and lung failure, or ruptured blood vessels in the brain. Lysergic acid (“LSD”), mescaline, and psilocybin cause illusions and hallucinations. The physical effects may include dilated pupils, elevated body temperature, increased heart rate and blood pressure, loss of appetite, sleeplessness, and tremors. Sensations and feelings may change rapidly. It is common to have a bad psychological reaction to LSD, mescaline, or psilocybin. The user may experience panic, confusion, suspicion, anxiety, and loss of control. Delayed effects, or flashbacks, can occur even after use has ceased.

7. Inhalants

• Includes such substances as nitrous oxide (“laughing gas”), amyl nitrite, butyl nitrite, chlorohydrocarbons (used in aerosol sprays), and hydrocarbons (found in gasoline, glue, and paint thinner).
• Immediate negative effects of inhalants include nausea, sneezing, coughing, nosebleeds, fatigue, lack of coordination, and loss of appetite.

Solvents and aerosol sprays also decrease the heart and respiratory rates, and impair judgment. Amyl and butyl nitrite cause rapid pulse, headaches, and involuntary passing of urine and feces. Long-term use may result in hepatitis or brain hemorrhage. Deeply inhaling the vapors, or using large amounts over a short period of time, may result in disorientation, violent behavior, unconsciousness, or death. High concentrations of inhalants can cause suffocation by displacing the oxygen in the lungs or by depressing the central nervous system to the point that breathing stops. Long-term use can cause weight loss, fatigue, electrolyte imbalance, and muscle fatigue. Repeated sniffing of concentrated vapors over time can permanently damage the nervous system.

8. Designer Drugs

• Designer drugs include analogs of fentanyl and analogs of meperidine (synthetic heroin), analogs of amphetamines and methamphetamines (such as “Ecstasy”), and analogs of phencyclidine.

• Illegal drugs are defined in terms of their chemical formulas.

Underground chemists modify the molecular structure of certain illegal drugs to produce analogs known as designer drugs. These drugs can be several hundred times stronger than the drugs they are designed to imitate. The narcotic analogs can cause symptoms such as those seen in Parkinson's disease—uncontrollable tremors, drooling, impaired speech, paralysis, and irreversible brain damage. Analogs of amphetamines and methamphetamines cause nausea, blurred vision, chills or sweating, and faintness. Psychological effects include anxiety, depression, and paranoia. As little as one dose can cause brain damage. The analogs of phencyclidine cause illusions, hallucination, and impaired perception.
9. Alcohol

- Ethyl alcohol, a natural substance formed by the fermentation that occurs when sugar reacts with yeast, is the major active ingredient in wine, beer, and distilled spirits.
- Ethyl alcohol can produce feelings of well-being, sedation, intoxication, unconsciousness, or death, depending on how much is consumed and how fast it is consumed.

Alcohol is a “psychoactive”, or mind-altering, drug as are narcotics and tranquilizers. It can alter moods, cause changes in the body, and become habit-forming. Alcohol depresses the central nervous system and too much can cause slowed reactions, slurred speech, and unconsciousness. Chronic use of alcohol has been associated with such diseases as alcoholism, and cancers of the liver, stomach, colon, larynx, esophagus, and breast. Alcohol abuse can also lead to damage to the brain, pancreas and kidneys, high blood pressure, heart attacks, and strokes; hepatitis and cirrhosis of the liver; stomach and duodenal ulcers; colitis; impotence and infertility; and premature aging. Abuse of alcohol has also been linked to birth defects and Fetal Alcohol Syndrome.
